PRINCIPAL'S WISH

In this world of inverted values it is my wish that each and every one of you work out for yourselves a philosophy of life; in so doing you should ask yourselves, "What place have the following items in my philosophy?"

Hate
Honesty
Intolerance
Justice
Kindness
Loyalty
Love
Prejudice
Religion
Responsibility
Self-reliance

William E. Wing, Principal

EDITOR'S FOREWORD

Said Disraeli, "The secret of success is constancy to purpose." Should we take the great French philosopher's words just as they appear, the 1941 Amethyst is an overwhelming success; for, not only have we kept to our purpose, to produce a Deering High School yearbook, a book of which each class can be proud, but we have insured a yearbook for the class of 1942.

Ten editors, one hundred assistants, and an able faculty advisor, have worked since early fall to effect this 1941 Amethyst. And they have worked hard, battling against the greatest of odds, that Deering should never be without a yearbook; that a pictorial review instead of a written account might be presented; that features never attempted by other yearbooks might be inaugurated.

The Amethyst, we feel, has passed a crisis, a crucial year. It has come through with flying colors, renewed strength.

For aforementioned reasons—all set against a background representative of untiring labor, this yearbook should be your most prized possession for years to come. It should hold the place on your bookshelf which your diploma holds in your heart. Long live the Amethyst! May it always be constant to its purpose.

THEME

Few secondary schools in New England, perhaps in the entire country, enjoy a more widely diversified program of extra-curricular activities than does Deering High School.

If these activities merely were of entertainment value, they would be of little worth. But, the Deering student who has been a member of a club, team, or organization knows he has received, in addition, a far richer reward for his participation; he has met problems, and has solved them; has learned responsibility and has gained in many instances practical experience in his future vocation.

Deering is proud of its unique program of extra-curricular activities, and it is to this that we dedicate the 1941 Amethyst.

MRS. RAEBURNE MARSH, *Acting Chairman*

PATHFINDER'S CLUB

In March, 1924 a group of nine interested mothers of Deering High School pupils met to discuss the problems of high school boys and girls and organized the Pathfinder's Club, hoping that by cooperation of mothers and teachers benefits for all would be obtained. From that time on the Pathfinder's Club has grown and all parents of Lincoln Junior and Deering High School pupils are eligible and urged to join.

The object of the club as stated in its Constitution and By-Laws shall be to:

"1 Provide a means of communication between the parents, pupils, and teachers;
2 Help in the general welfare of the school wherever possible;
3 Promote friendship between the mothers themselves;
4 To assist one or more worthy students who shall have completed a four-year course in Deering High School and shall have graduated therefrom, to obtain a higher education, and, for that purpose, to raise funds."

During the past two years emphasis has been placed on welfare work and our money raised by projects has been used to help needy students as well as for the Scholarship Fund.

DEERING HIGH SCHOOL BAND

This year the Deering High School Band soared to even greater musical heights. Numbering over 80 musicians, it has proven itself to be among the best of Maine and New England organizations—once again. The annual concert was an overwhelming success. The Band played also at the March vesper concert in the auditorium and again won highest ratings at the Maine Music Festival in Portland and the New England Festival at Lewiston in May.

Program for the concert follows:

God Bless America ..... *Berlin*

March "Gloria" ..... *Losey*

Overture "Coriolan" ..... *Beethoven*

Trumpet solo, American Fantasia,
"Tramp, Tramp, Tramp" ..... *Goldman*
Soloist, Robert Cummings

March "El Capitan" ..... *Sousa*
Conducted by Joseph Skehan

The Pilgrims Chorus ..... *Verdi*
Trombone solo "The Wanderer" ..... *Harlow*
Soloist, Charles Anderson

March, "Army and Navy" ..... *Maddy*
Conductor, Donald Emmons

Woodwind Ensemble, "Gavotte" ..... *Safranek*
"Down South" ..... *Myddleton*

Bacchanale ..... *Saint-Saens*

Xylophone Solo, "American Patrol" ..... *Meacham*
Soloist, Phyllis Hammond

March "Columbia University" ..... *Flint*

Twirling Exhibition ..... Patricia Dodge

The Star Spangled Banner ..... *Key*

The Band will lose by graduation, Charles Anderson, Cynthia Binford, Janet Campbell, Albert Cobb, Webster Dyer, Harry Eddy, Donald Hobbs, Edward Lincoln, Donald Emmons, Frank Hodgdon, Stanley James, George Kern, Robert Marcous, Hayward Maxfield, Arlene Merrill, Walter Meserve, Richard McFarland, Shirley Raymond, Neal Richardson, Joseph Skehan, Paul Stanton, Madelyn Stover, Ruth Wyman, and Lawrence Harding.

D. H. S. ORCHESTRA

The Deering High School orchestra has completed one of the busiest and most successful years in its history. The group, conducted for the second year by Robert C. English, carried away orchestral honors at the Lewiston New England Music Festival in May, as well as in the Maine State Festival in Portland.

Two concerts were given by the orchestra in the course of the year, one in December, the other in April. The group played at a vesper concert with the band and Glee Clubs in March, and furnished pre-curtain music at the Senior Class Play. The orchestra will play at the City Hall graduation exercises, as in past years. William Prouty was concert master of the 1940-1941 orchestra.

Program for the December concert follows: Bourree, Bach; Sarabande, Bach; Trumpet Voluntary, Purcell; Minuet in E, Mozart; Where Ere You Walk and Dio Possent, sung by John March, '39, with Mrs. Richard Gustafson, accompanist; Italians in Algeria; Two Grenadiers, Trade Winds, Duna, also sung by Mr. Marsh; Nocturne, King; and Introduction to Act III of Lohengrin, Wagner.

Among the selections played at the April 25 concert which was given in the school auditorium were: Valse Triste, Sibelius; Fugue in G Minor (The Little Fugus), Bach; Londonderry Air and Gypsy Melody, traditional; Prelude in G Minor, Rachmaninoff; and Tango, Albeniz.

ORCHESTRA MEMBERS

Front Row, Left to Right—Hicks, Cushman, Beal, Morrill, Robinson, Hobbs, Morgan, Horn, Sawyer, Welsh.

Second Row, Left to Right—Weeks, Raymond, Norton, Cushman, Corthell, Standley, Nisbet, Kuvent, Weed, Barnes.

Third Row, Left to Right—Kelley, Skehan, Stevens, Meserve, Hennessey, Hobbs.

Fourth Row, Left to Right—Ricker, Haskell, Anderson, Brooks, Thurrell, Whittemore, Mains, Phillips, Cook, Keyes.

DEERING HIGH CAFETERIA

The Deering High School Cafeteria serves approximately 900 students and teachers a day.

This year's staff of girls consists of the following girls: Viola Wilson, Annie Archer, Frances Jones, Ruth Hamilton, Carolyn Savage, Lucille Savage, Viola Everett, Lillian Bamford, and Joyce Trott.

ALL-DEERING NITE

Gay Nineties days came to life in the Deering auditorium when the "D" Club presented its annual show in April. Headlined by a melodramatic epic, "Curse you, Jack Dalton" and the inauguration of Leland McInnis as Mayor and Esther Germain as Miss Deering. The All-Deering Nite show attracted one of the year's largest crowds. Featuring the vaudeville show were a German Band and Philip Frothingham's magic acts. Dancing followed to Bob Marcous's student band.

THE SCHOOL BANK

The school bank, a beneficial organization at Deering, is open every Monday morning from eight to eight-forty.

The work in the Bank is done by three tellers, Joyce Trott, Marion Foster, and Jacquelyn Boucher.

On the first Monday of each month, all balances of one dollar or more are transferred to the records of the Maine Savings Bank.

At the end of the year, pins are given to all those who bank every bank day.

STUDENT SERVICE

One representative from each home-room is chosen in the Fall by the home-room teacher to represent the home-room in Student Service. This club meets every Tuesday morning with Mr. Wing. It is through these people that Mr. Wing announces the weekly events of the school. It also gives an opportunity for the pupils to make complaints or suggest new ideas.

THE LIBRARY

Our Library is a definite asset to the school. Without it, students and teachers would be at a complete loss. On its shelves are found books of practical arts, books of travel, history, and biography. In addition to all these, there are books of poetry and fiction and a particularly fine collection of reference books.

This department is headed by Winnebel Gower, competent member of the faculty, who is always more than willing to aid in anybody's difficulties.

The students can well be proud of their library, for besides being attractive and well equipped, it was one of the first school libraries in the state.

RAM-BLINGS

"An urgent need was felt in the senior class for a publication that would serve as a link to extra curricular and social events of the school. It is hoped, further, that the paper will stimulate and effect that school spirit of which Deering is claimed to be void"—*Ram-Blings,* Volume one, number one . . . This was the purpose of Deering's new bi-monthly publication when the first editions were distributed to an overflow Open House gathering. The consensus of opinion at the end of the year after a dozen editions seemed to be that that purpose had been accomplished. Circulation at the end of the year was well over the 1,000 mark with enthusiasm for its continued issuance strong.

SKATING CLUB

The Deering Skating Club, which boasts of 20 members was organized this year, with the aid of Mr. Wiggin. Mr. DeMears instructed the girls and boys in the fundamentals. Harmon Priest won the first prize in the Men's division, at the Riverside Carnival, and Beverly Cambridge the first prize in the Girl's division. The officers of the club are: Claire Ashton, president; Jean Preston, vice-president; Harmon Priest, secretary; and Merrill Flint, treasurer. The club hopes to be more active next year, by putting on a Carnival and Dance.

CADETS — 1940 AND 1941

The Deering High School Cadets have made fine progress this year. The corps is hard-working and enthusiastic. In Cadets, a boy learns, on a small scale, how a soldier works, how to handle a rifle, and the manual of arms. He also learns movements, and dress parade is practiced every drill morning. The most important thing a boy obtains is discipline.

In competitive drilling, at the April Cadet Ball, Company D of Deering was first, Company C of Portland, second, and Company F of Deering, third. The Deering Battalion also won first honors. The winning company, captained by Stanley James, Jr., was presented the Caldwell Post, American Legion trophy; and the Deering battalion commander, Major Robert Christianson received the Andrews Post trophy. Corp. Frank Hodgdon of Deering received an award from the DAR as the year's outstanding cadet. Capt. Donald Hobbs of Deering received Major Palmer's award as the best officer.

The officers play an important part in the Cadets. The officers this year were as follows:

Robert Christianson	*Major*
Frank Bruton	*Regimental Adjutant*
Donald Hobbs	*Captain-Company*
Stanley James	*Captain-Company*
Robert Wood	*Captain-Company*
Russell Chadwick	*Major's Staff*
Richard Tallini	*Major's Staff*
Howard Peterson	*Battalion Adjutant*

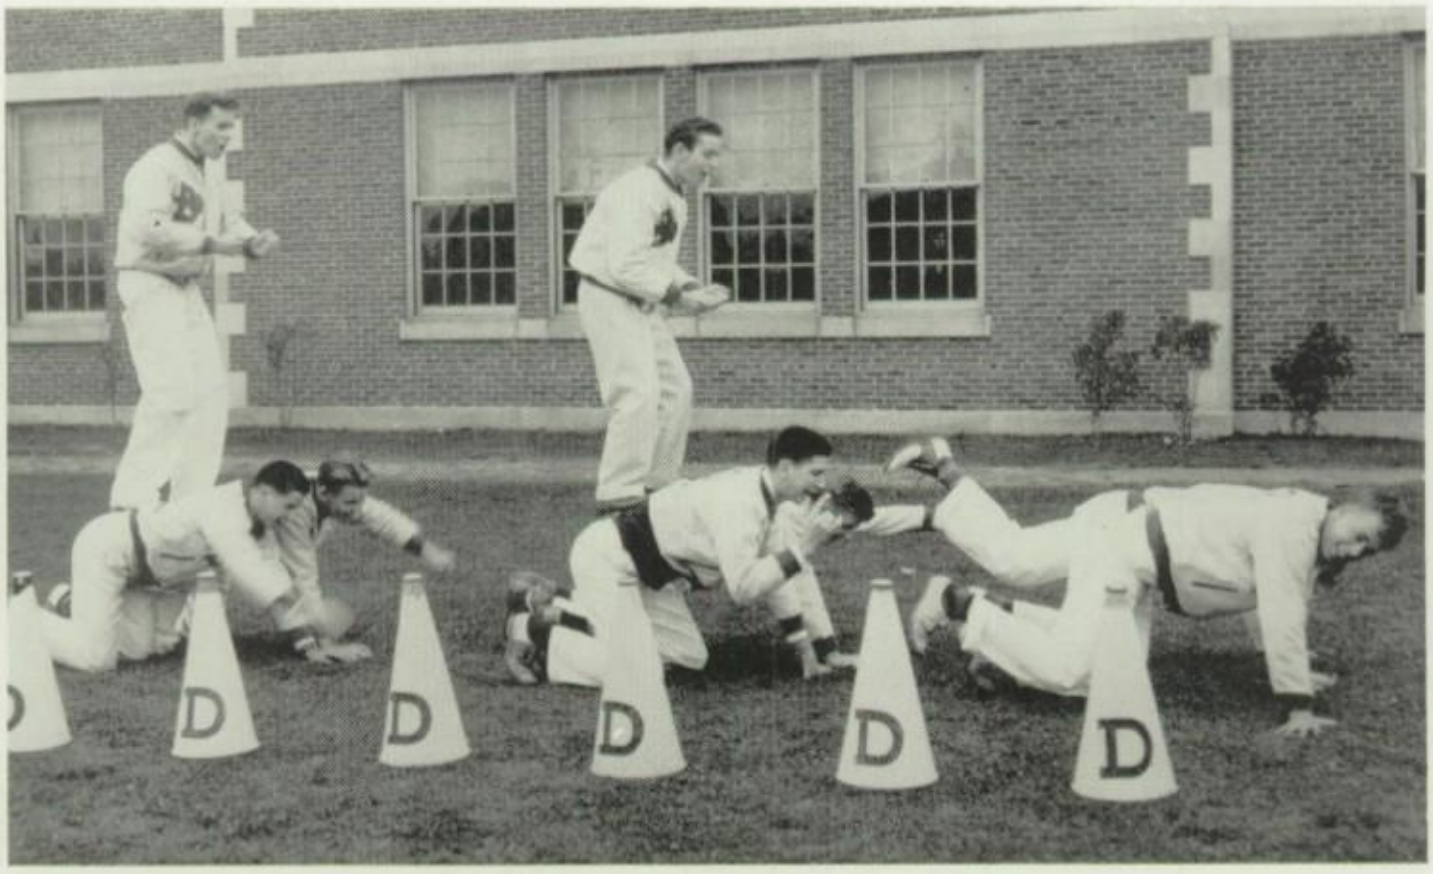
GIRL CADETS

The Girl Cadets organized in February of 1940, but they did not start drilling until March.

Under the leadership of Col. Palmer this organization has been very successful. Ushering at graduation, teacher's convention, and parading are only a few of the useful things which the Girl Cadets have done.

Officers:

Major	Arlene Merrill
Battalion Staff	Lilly Gould, Helen Cooper, Pat Patterson, Barbara Gordon
Captains	Jacqueline Kimball, Lucille Savage, Nina Means
Lieutenants	Francesca Walsh, Myrtle Lucas, Margaret Beecher, Polly Warren, Romaine Littlefield, Peggy Fox, Winona Swan, Mildred Casey, Marjorie Blanchard, Dorothy Hughes, Helen Ahern, Madelyn Stover, Gloria Hatcher, Barbara Harris, Ruth Hamlin, Katheryn Flaherty, Virginia Malia, and Bertha Bonney



CHEERLEADING

Popping up with a new cheer at nearly every game, this year's cheerleading squad will be remembered for the fact that some new cheers were introduced in Deering through their guidance, and because it was the largest squad ever to represent the school.

Decked in jackets which spelled D-E-E-R-I-N-G, the cheerleaders were Billy Lucas, Stanley Sylvester, Robert Blake, and Dick Dwelley who will form the nucleus of next year's squad, and Don Larrabee, "Chuck" Wood, Walt Howarth, and Al Rhodes, whom the group will lose by graduation.

THE JUNIOR RED CROSS

Through the years of its existence at Deering High School, the Junior Red Cross has achieved a distinctive place among the school activities. At Thanksgiving and Christmas time baskets of food and toys were given to needy families.

This year, as a new institution, the Club has adopted the Good Will Farm at Hinckley, Maine.

Funds were raised through enrollment of members and the sale of Deering stickers and the proceeds of a dance given by the Junior Red Cross and the Riding Club.

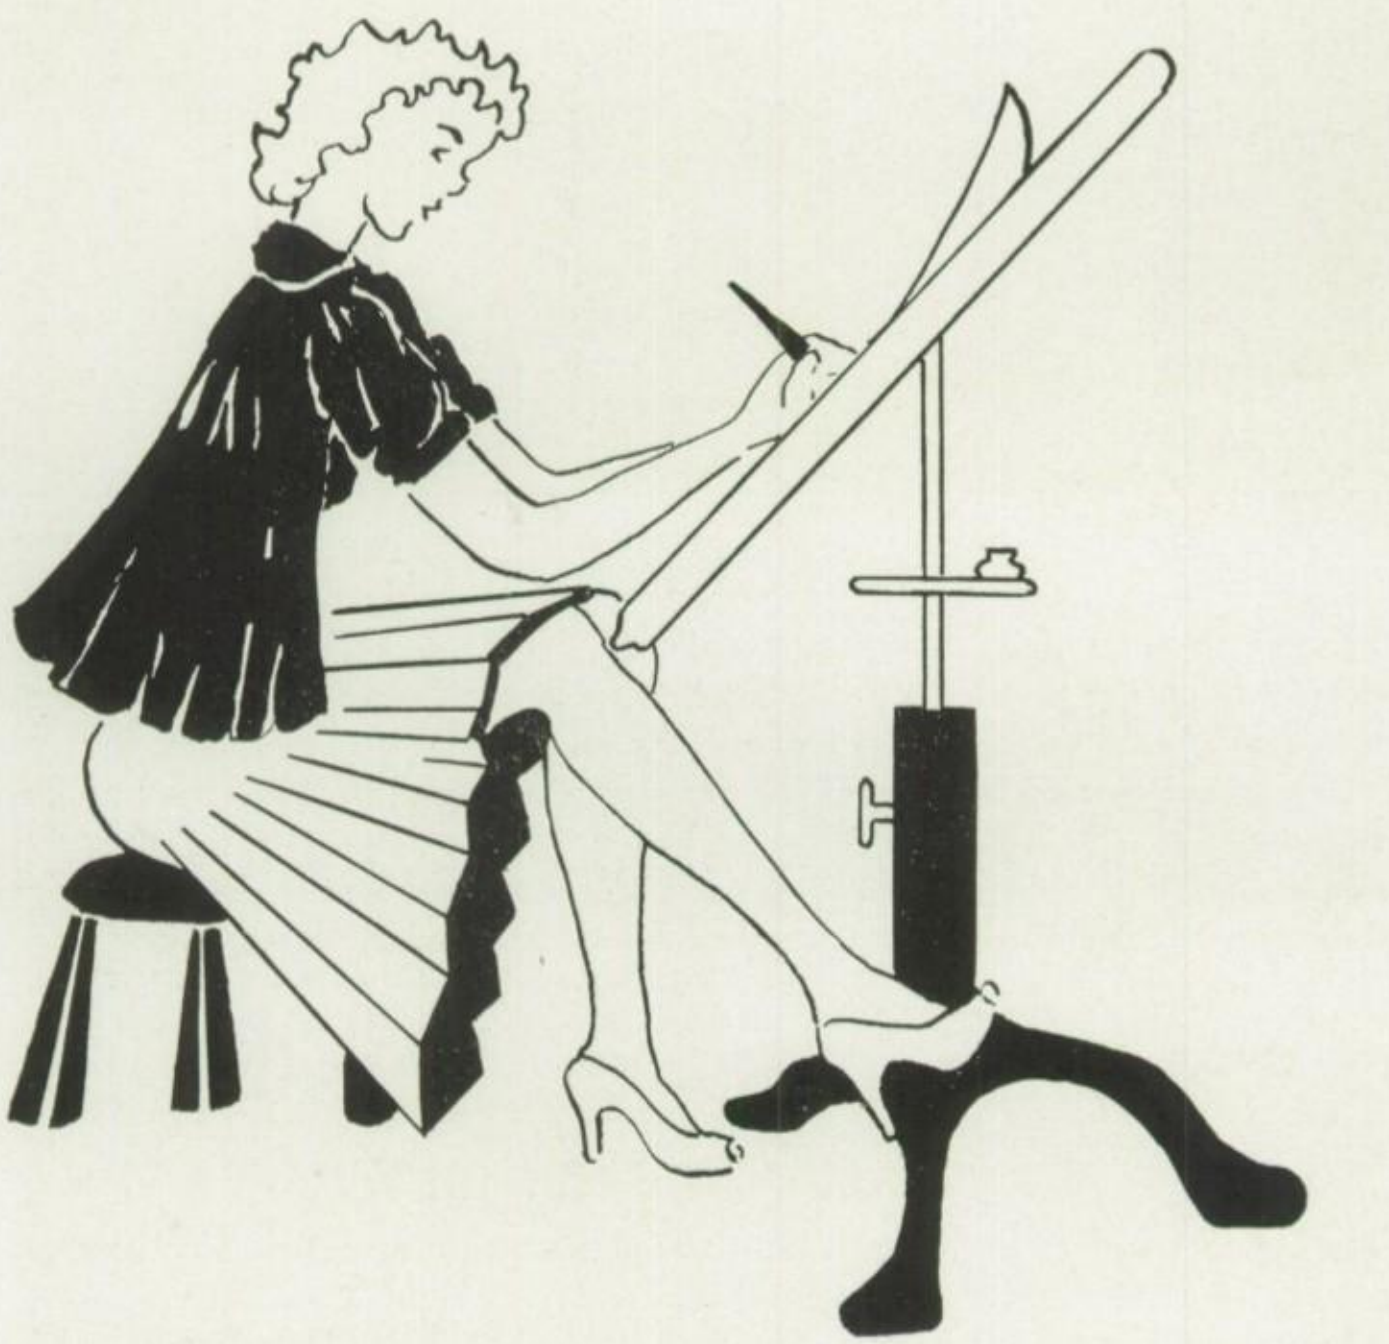
STANTAKI CAMP FIRE GROUP

The Stantaki Camp Fire Group held its weekly business meetings on Monday morning under the direction of Miss Sara J. Cowan.

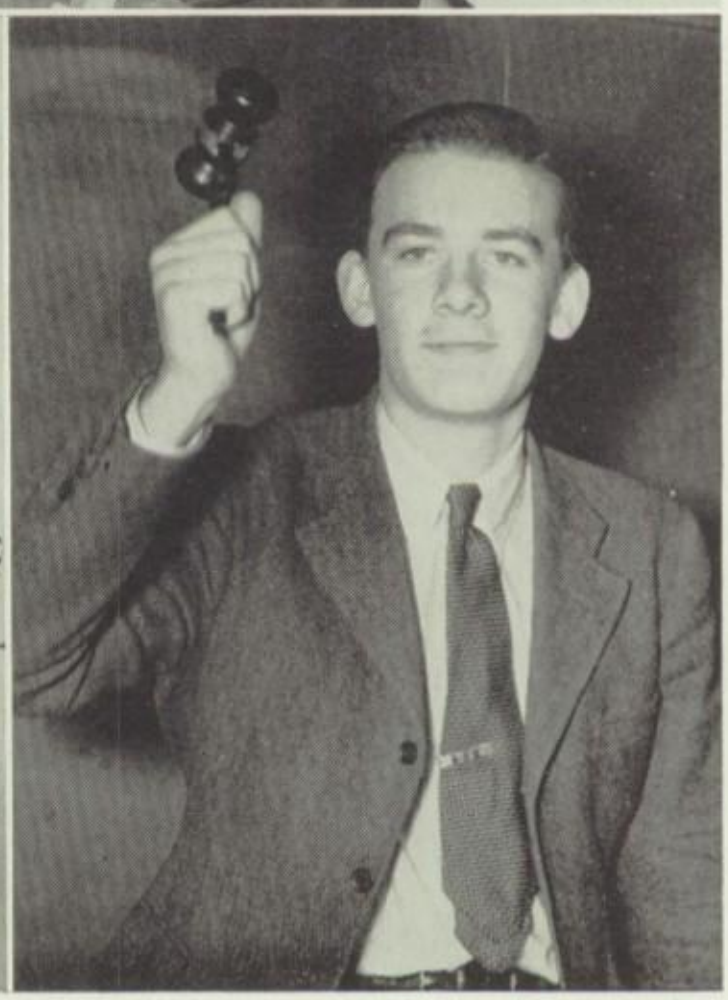
The annual Christmas party was held at the home of Mrs. Wing. After a talk by Mrs. Donald M. Payson, we discussed welfare work.

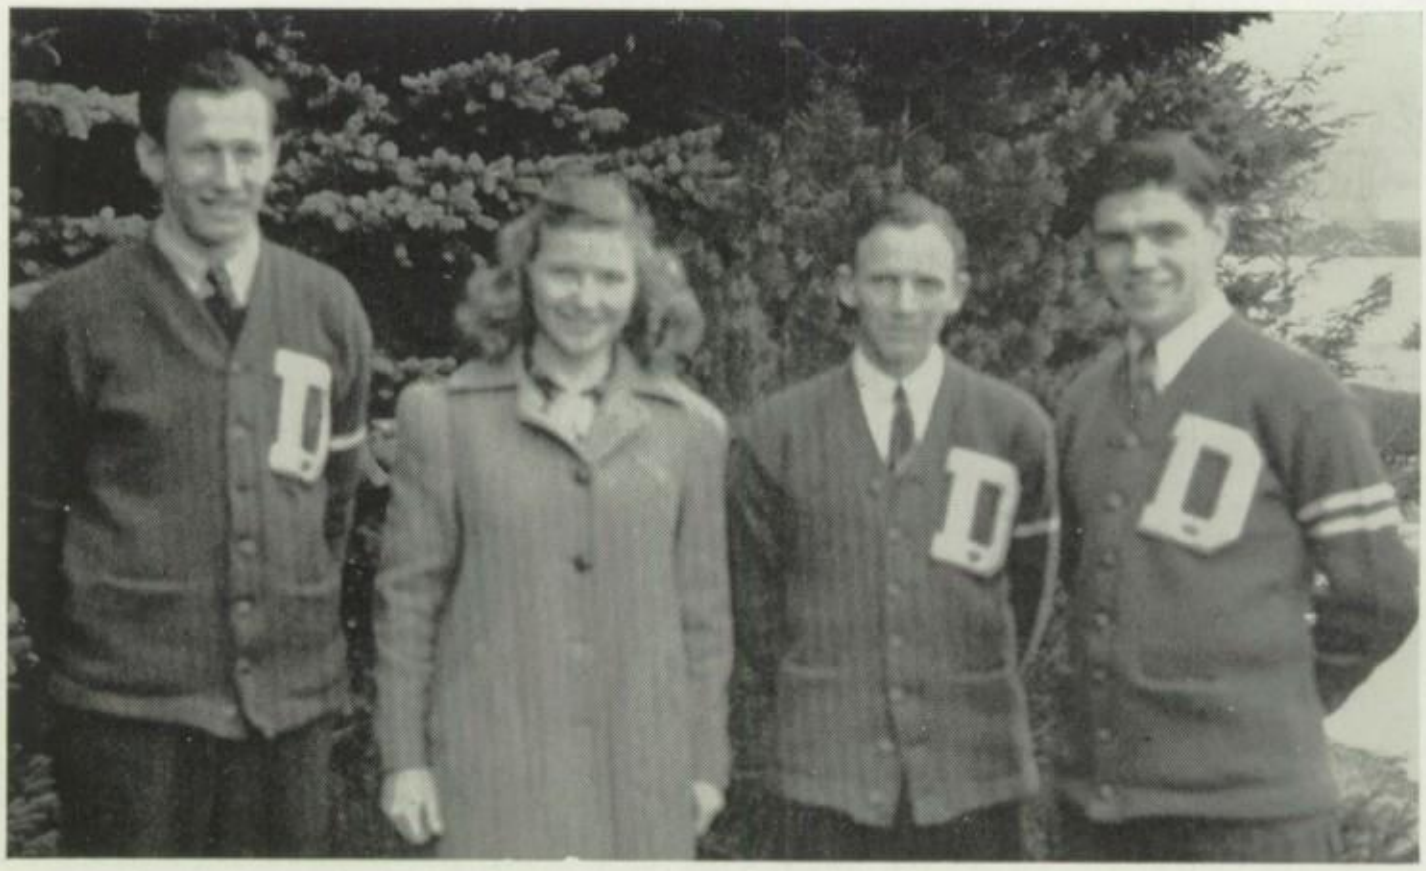
The group sent baskets to a needy family at Thanksgiving and Christmas. The girls entertained their mothers at tea on Mother's Day. The "Know Your City" trips were continued this year.

In June, we held the annual Council Fire in the grove, at Wingsgate.



Dorothy Hanby





THE "D" CLUB

The "D" Club holds its regular meeting each Wednesday during the twenty-minute period in the gym with Mr. Wiggin as faculty advisor.

It is the purpose of the "D" Club, which is composed of letter-winners in athletics, to promote school spirit. To help in doing this, the Club held this year two award days besides the regular "All Deering Night."

The officers of the "D" Club were: President, Clarence Foster; Vice President, Morris Densmore; Secretary, Joyce Trott; and Treasurer, Ray Davis.

WRITERS' CLUB

The Writers' Club with Donald Larrabee, president; Jean OBrion, vice-president; Harriet Lothrop, secretary; and Victor Landberg, treasurer, aims to develop the creative ability of its members. The best work of the members for the entire year was published in the annual book, "New Leaves," issued in the spring.

In March the alumni were greeted at the annual tea in the Domestic Science Suite. Also in March the Club met jointly with the Waynflete Writers at the Waynflete Clubhouse where Professor Herbert Brown of Bowdoin criticized the manuscripts submitted by the groups.

THE COLLECTORS' CLUB

The Deering High School Collectors' Club holds its meetings on the first Thursday of every month in Room 101. A program follows a short business meeting, which consists of a talk by some member of the club on his favorite hobby.

The club deals with various collections. Among these are stamps, coins, books, minerals, miniatures, paper money, match covers, and many others.

As the main project for the year, the members of the club made a frame for Room 101, containing stamps from the European countries which have been invaded. The officers were: President, Edward Cassasa; Vice-president, Frank Murdock; Treasurer, Thomas Frothingham; and Secretary, Hazel Whitney. The faculty advisor is Mr. C. William Peterson.

THE DEERING HIGH SCHOOL RIDING CLUB

The Deering High School Riding Club with Miss Hamlin's help has become, this year, the largest in its history. There were two separate courses, spring and fall, with each having a well planned program. During the winter there were special rides and a carnival, with Jean Preston as Queen and Patricia Webster, Janet Campbell, Claire Ashton and Jane Calderwood as attendants.

The barn dance this year was given with the Junior Red Cross and was a great success.

CHORAL SPEAKING

Choral speaking, under the able direction of Miss Hueston, entered another successful year with an entirely new group of students. As its first appearance, the Hallowe'en assembly, a selection from "The Congo," told in pitch darkness, was hair-raising.

The Christmas assembly saw the group place everyone in a thoughtful mood with a selection from the birth and life of Jesus.

The last appearance of the year was on Lincoln's birthday when Lincoln's last speech was ably delivered at a gathering of the entire school.

PURPLE CAVALRY

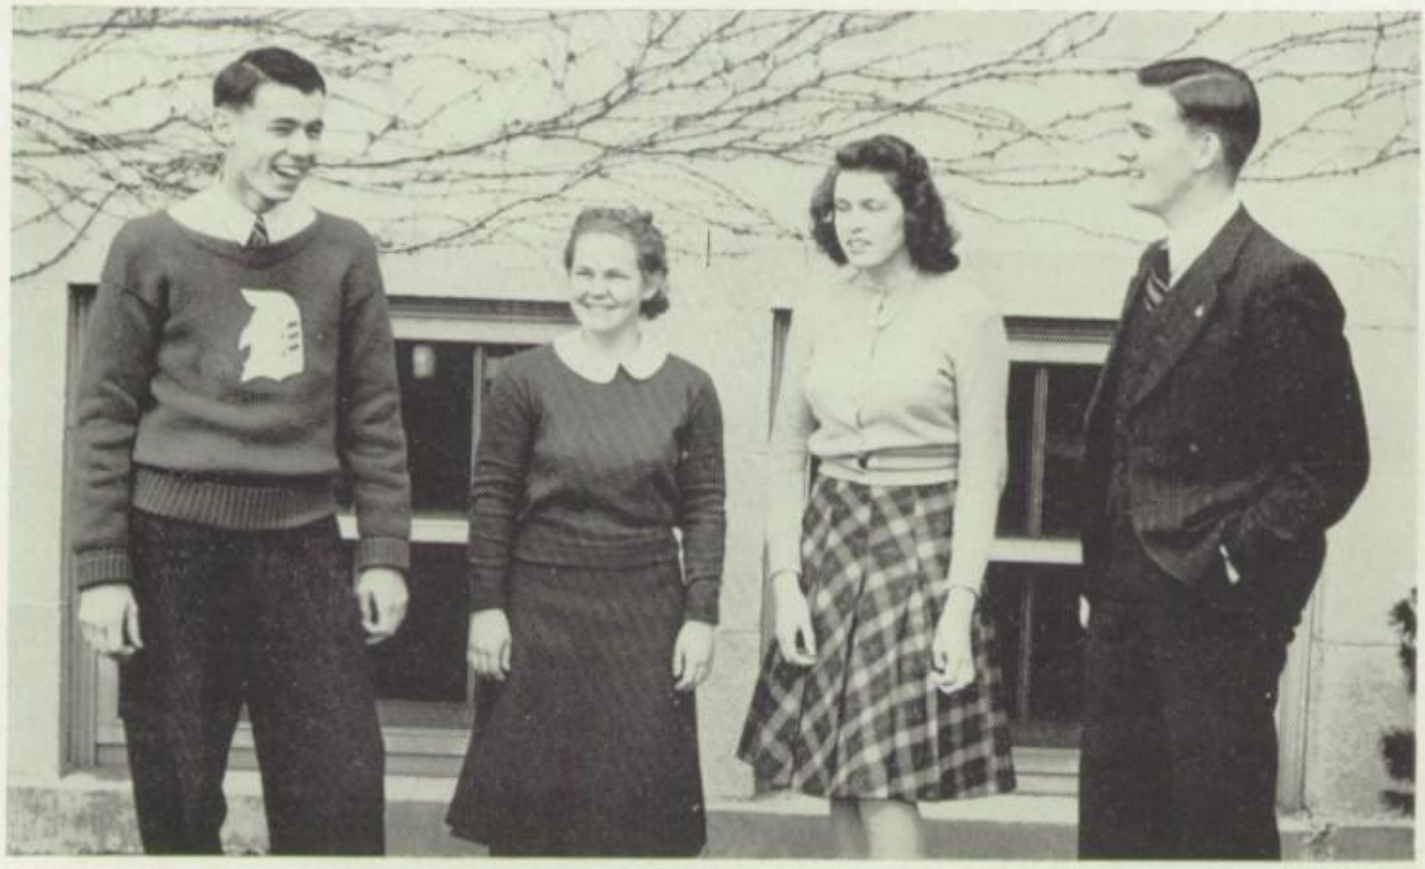
The Purple Cavalry Riding Club entered its fourth year with a varied and active program. This included gymkhanas, breakfast rides, hayrides, a two-day Watchic Lake trip and other forms of pleasurable and profitable recreation.

The officers of the club this year were: President, Madelyn Stover; vice-president, Gene Rich; secretary, Harriet Nourse; treasurer, Arlene Hooper; and program chairman, Virginia Libby. The faculty advisor was Miss Dorothy Hamlin.

THE JUNIOR FRENCH CLUB

The French Club under the leadership of Miss Hamlin, meets every other Wednesday afternoon in Room 127. Our officers are President, Gordon Haskell; Vice President, Judson Merrill; Secretary-treasurer, Carol Norton.

At the meeting we have played games, had French plays, sung Christmas carols, and we had a combined French Club program on Quebec, followed by a tea.



SENIOR FRENCH CLUB

Parlez-vous francais? Perhaps you don't speak French, but the members of the Senior French Club do at all meetings as this is the one enforced rule.

The officers of the club this year were: President, Harriet Lothrop; Vice-President, Harry Eddy; Secretary, Ruth Wyman; and Treasurer, Robert Brackett.

This year short humorous topics for speeches in French were given out, and they provided much fun. The Senior French Club, in collaboration with the Junior and Intermediate Clubs, has presented two French movies which were open to all pupils, and they were both very successful. The first was "Life of Louis Pasteur" and the second, "Mayerling."

DRAMATIC CLUB

The Dramatic Club is proud to have the largest membership of any club at Deering. The officers elected for the year 1940-41 were: President, Albert Smaha; vice-president, Madelyn Stover; secretary, Marion Foster; treasurer, Alice Elizabeth Shaw.

The Dramatic Club's annual play, "Midsummer Madness," was a big success. The Dramatic Club has also presented a number of small plays for meetings and school assemblies, notable among which was "A Birthday Present for Lincoln" given by five of the club's members February 12.

GIRLS' GLEE CLUB

The Girls' Glee Club, directed by Miss OBrien, has thirty-two standing members. Its officers are: Marion Nanos, president; Grace DiBiase, vice-president; and Barbara Hicks, librarian. The club sang for the Band Mothers' Club at the Portland Club on November 23, 1940, and presented a group of numbers for Pathfinders' Open House Night in December. The Girls' Glee Club and the Boys' Glee Club combined for a performance of Handel's "Hallelujah, Amen" for the Christmas assembly. Five members of the club sang Christmas carols in the Christmas pageant. The club sang in a concert in February.

BOYS' GLEE CLUB

This group of Deering students is proud of its sterling director, Robert English. These songbirds set their meetings for the 20-minute period three days a week, taking particular pleasure in impromptu jam sessions consisting of the "fellas" gathering around the piano and twanging the vocal cords into harmony on the current popular tunes. This year they had the pleasure of introducing the "Victory Song" written by our director.

ART CLUB

The Deering High School Art Club may boast of the fact that it has created one of the most interesting rooms in all Deering and that room is "The Little Art Gallery." To this gallery professional artists who have graduated from Deering have contributed their works.

The walls of the gallery are hung with the works of such prominent local artists as the late Linwood Easton, Roger Deering, Doris Glover Goodhue, and Ralph Frizell. This "gallery," its improvement and promotion, has been the chief project of the Art Club this year.

DEERING HIGH SCHOOL SKI CLUB

One of the most healthful and energetic organizations of Deering is the Ski Club.

Summer and fall, mountain-climbing trips are organized to keep the skiers in trim for the winter months, when ski trips are held, usually to Ski Haven. Ski Haven, at Dyke Mountain, is a cabin maintained by the Ski Club for week-end use. The surrounding terrain is perfectly adapted to skiing, and enthusiasts cluster there every week-end.

THE DEERING FORUM

The 1940 school year marked the forming of the Deering Forum. Deering is one of the first schools in Maine to introduce this form of progressive education.

The purpose of the Forum was to help the members of the organization to think logically, to express themselves effectively, and, by Parliamentary procedure, to be able to reach a logical decision.

Officers of the club were: President, Harry Eddy; Vice President, Norton Nevels; Secretary, Jean McKenzie; Treasurer, Leighton Cheney; Program Chairman, Jane Marshall; Chairman of Executive Board, Joseph Skehan.

CHEMISTRY CLUB

The Deering Chemistry Club, under the direction of Mr. Bean, each month took a field trip to various places of interest. Included in these tours were the Portland Gas Company, National Biscuit Company, S. D. Warren Paper Mills, and the Cushman Baking Company.

The club's meetings were held once each month. The officers for the year were: Richard MacFarland, President; Cynthia Binford, Vice President; Jean Preston, Secretary; Donald Hobbs, Treasurer.

THE AVIATION CLUB

The first Deering High School Aviation Club was started in 1931. Miss Kennan was instructor until 1934, when the club was taken over by Mr. Bragdon. In 1937 the club was given up because of a lack of interest until this year, when several students asked Miss Kennan to form another.

Each member, whether he wishes to take aviation as a career, or as a recreation enjoys the club meetings, which are never dull because of Miss Kennan's ever-present sense of humor.

WOODCARVING AND ARCHERY CLUBS

These clubs, piloted by the "Skipper" Frank W. P. Bailey, are open to all Deeringites who are interested in wood-working, leather-working, metal-working, and the age-old sport of archery.

This winter, the members devoted their time to turning bow staves into graceful bows, shafts into straight sleek arrows, and pieces of leather into arm and finger guards.

In the spring, the target is dusted off, and the archers strive for bulls-eyes.

THE TRI-Y CLUB

The Tri-y Club is the high school division of the Y. W. C. A. It consists of 35 members who arrange and carry out their program under the guidance of Miss Farnham, faculty advisor.

Included in this year's program were such social affairs as a New Year's party, barn dance, sleigh ride, Valentine dance, theatre party, and silver tea. The members also gave a Christmas party for under-privileged children, a Thanksgiving basket, and did sewing for the Red Cross.

GEOLOGY CLUB

This club, which was formed about fifteen years ago, has, for its main object, a widening of the interests of the students who wish to become better informed concerning geological subjects. Field trips to various places along the shores, to rock and mineral quarries, are made.

The big event of the year is a trip to Acadia National Park at Mt. Desert Island.

Officers are: President, Elizabeth McCann; Vice President, Frances Webber; Secretary, Russell Chadwick; Treasurer, Arnold Bryant.

WASHINGTON CLUB

The Washington Club is an organization formed each year for the benefit of senior boys and girls planning to take the trip to Washington, D. C. in the spring.

About thirty-five members of the graduating class took the annual trip this year.

The city took on an added interest for the group this year, as it presented a picture of war-time activity, the like of which has not been seen for several decades.

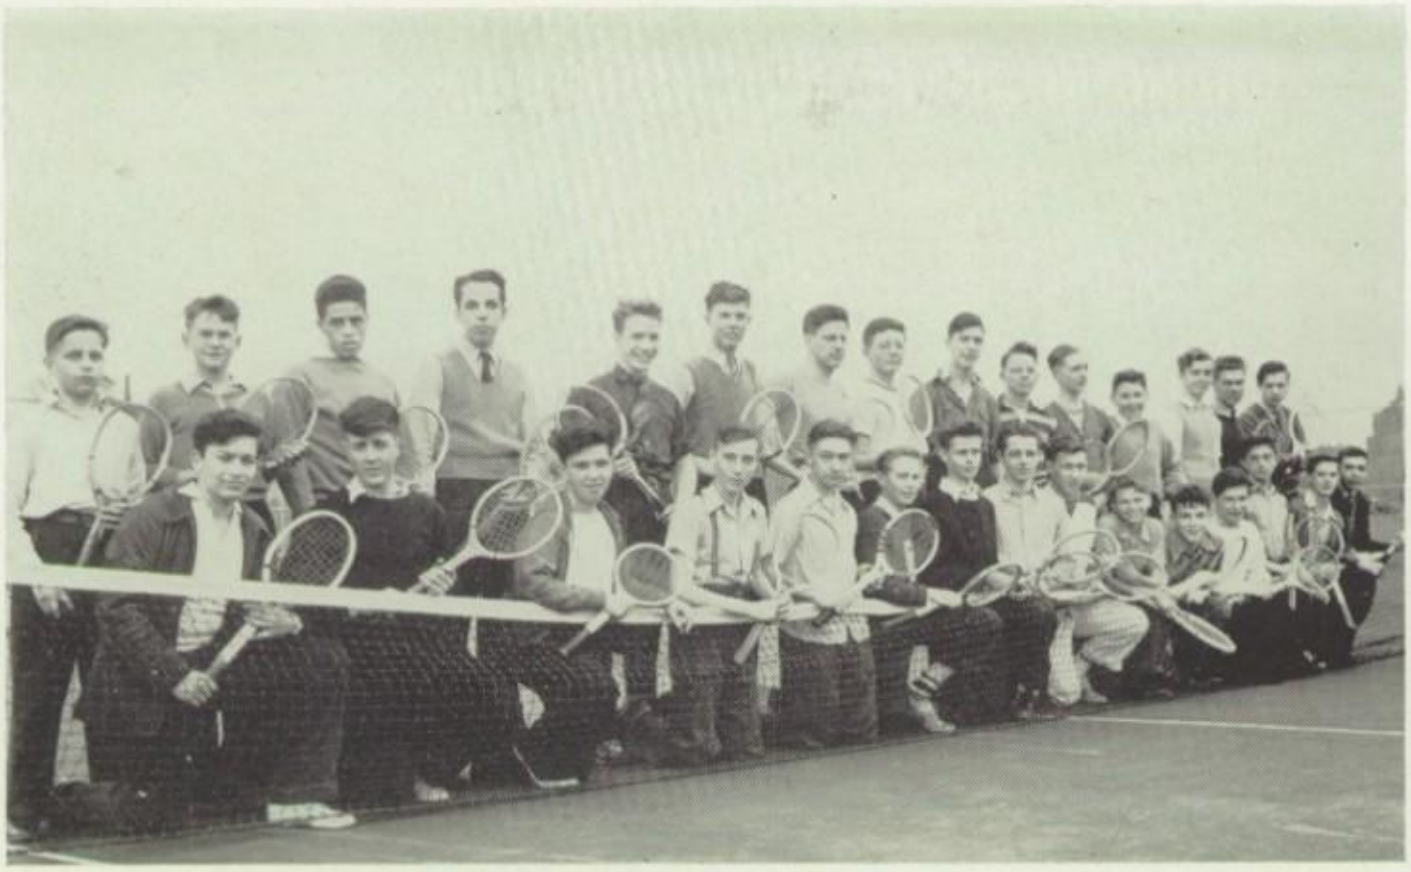
GIRLS' BASKETBALL

The girls' varsity basketball squad, under the coaching of Miss Helen Hamlin and the aid of Miss Jensen, had a successful season. The team won all their games except those with the strong South Portland sextet.

High scorers for the year were co-captains Joyce Trott and Shirley Beal, and Ruth Carter who played the regular forward position, while Arlene Thurlow, Winnie Smith, Mary Ann Murphy, Beverley Beal, and Barbara Goldthwait filled the guard positions.



BOYS' TENNIS

Five veterans were among those who greeted Coach Byron Mitchell for spring tennis. Forming the nucleus of the 1941 squad were Anthony Pelletier, Henry Larrabee, Ed Jordan, Thomas Howarth, and Robert Thoits. Two dozen underclassmen spent spring afternoons in concentrated practice with a view toward the fall schedule.

Few matches were played during the spring months, the majority of the time being spent in practice under Coach Mitchell's watchful eye. A number of the Deering boys were to enter the Southwestern Maine tournament this spring.

Thomas Howarth carried off tennis honors in the fall by clinching the singles tournament, with Bobby Thoits, runner-up.

GIRLS' TENNIS

Deering girls thought that they knew what the results of the fall tennis tournament would be before it even started but two newcomers upset the scores and won the tournament. Helen Etheze swept the Senior field while her younger sister, Margaret, outstroked the Juniors. Eleanor McGillicuddy and Norma Sparkman were victors in the Sophomore and Freshman tourneys.

Spring prospects include the fall class winners: Viola Everett, Viola Wilson, Patricia Webster, Joyce Trott, Dorothy Galli, Alice Shaw, Elinor Hodgkins, Cora Aikens, Ruth Wyman, Barbara Goldthwaite, Helen Cooper, and Barbara Groden.

INDOOR TRACK

Deering's only 1940-41 championship team lived up to pre-season predictions when they successfully gained a victory over their three major rivals in the 15th annual Four Cornered Track Meet.

Although somewhat weakened through sickness and ineligibility in their bid for the track supremacy of greater Portland, the Harvell-Cobb aggregation managed to eke out a thrilling close victory over perennially strong South Portland. The culmination of three years of building finds such runners as Foster, Becker, Chadbourne, Springer and R. Davis, heading the pack, while next year's team will depend upon Springer, Bradley, Davis, and Ricker as their most consistent point-winners.

CROSS COUNTRY

After dropping their first meet to Portland by a decisive score, Buck Harvell's fall tracksters got their second wind and raced on to win over Bridgton Academy and the Bates Freshmen, while they lost their encounter with the Bowdoin yearlings by only a point. Easily, the prime factor in the marked improvement was the up-and-coming performance of freshman Eddy MacDonald. The season ended with a commendable performance in the Bates Inter-scholastics where the team gained sixth place in a field of eleven.

GIRLS' SWIMMING

After a year's lapse in which Deering saw no girls' swimming team, the once popular organization was revived again this year and attracted a membership which exceeded forty by the close of the season. The club met Thursday afternoons at the Boys' Club pool for recreational purposes. No meets with other girls' squads were arranged this year. Dorothy Hamlin was faculty adviser.

LACROSSE SQUAD

BOYS' SWIMMING

The swimming team didn't fare too well this year, winning only the two meets with Lewiston. The outstanding performance was turned in by Bobby Blake who set a new league record of 2:30 3/5 for the 220 free-style. Captain Don Hobbs turned in some excellent performances in diving. Norman Garsoe and Bob Bulger, our Texas boy, both consistent point winners all year, each placed third in his respective event in the state meet. George Kern, Warren Bowe, and Franklin Calderwood all turned in good races during the season. The lettermen were Captain Don Hobbs, Bobby Blake, George Kern, Franklin Calderwood, Norman Garsoe, Bob Bulger, Widgery Thomas, Warren Bowe, and Manager Don Wood.

FIELD HOCKEY TEAM

Captained by Harriet Lothrop, coached for the second year by Miss Dorothy Hamlin, the girls' field hockey team had an ultra successful season, losing only to the alumnae, and Wilton. Games with Bridgton and Waynflete and a return game with Wilton were won, largely through the efforts of high scorers, Joyce Trott and Barb Goldthwait.

Starters on the 1940-41 squad were: Joyce Trott, center forward; Barbara Goldthwait, right inner; Winnifred Smith, left inner; Barbara Gorden, right wing; Ruby Sparkman and Viola Everett, alternating at left wing; Ruth Carter, center half; Willena Colbath, right half; Thelma Nisbet, left half; Harriet Lothrop, right fullback; Alice Knotts, left fullback; and Barbara Gordon, goalie.

SPORTS CALENDAR

The Deering High School sports schedule started off well with a football team which, although they can not boast of quite such a record as last year's aggregation, still, had a more versatile and potent offense.

Buck Harvell's cross-country team negotiated a successful season and managed to uncover a coming star in Eddy MacDonald.

Although they can not claim many wins the Cottrell-quintet put up some good fights on the mid-winter courts.

Even though they had some impressive stars the D. H. S. mermen were dunked into the losing column enough to prevent them from achieving any very outstanding record.

Deering's most successful team was found in the Harvell-Cobb track cluster which polished off the four-cornered meet as expected and so gained the championship of greater Portland.

Looking now towards Spring, Deering's best hopes seem to lie with a strong outdoor track team although the baseball team should furnish some good games for the fans, while the boys' tennis squad faces a hard season with only a handful of veterans.

SUPERLATIVE CONTEST STORY

Why quizzers grow gray hairs! The AMETHYST editors learned the answer to the age-old question (one of the answers, anyway) when they set out to conduct this year's popularity poll, the first superlative poll to feature a Deering yearbook. The dingy hairs were brought on for the most part by the answers received on the circulated sheets, answers which would have sent a second grade "school-marm" to her grave. The title of best sport was awarded to football by one senior while Miss Stahl ran away with the "Smoothest Talker" cognomen. Although the editors deducted that the students knew little or nothing of the meanings of the words "sophisticated" and "individualist," several of our upper-classmen were gracious enough to insert an interrogation mark beside the names. The majority left them blank.

The senior poll was twice taken in all fairness to the graduates. The results of each were homologous. Leland "Muggsie" McInnis had little trouble in snaring the "Best Looking" crown, and in addition, the title as "Best Date." Since "good looks" is all-essential in forming the perfect date, it was natural that "Blossom" should receive these triumphs.

William Melaugh not only deservedly won the "Class Showoff" and "Biggest Bluff" nominations but waltzed away with the "Best Dancer" caption. "Carrot Top" Billy Orr proved to be the logical choice as "Best Sport," as did Albert Smaha as "Best Athlete." In fact, Al, starring in three major sports was five score and five votes ahead of his nearest opponent. Al also edged Harry Eddy in the voting as "Class Politician."

Class President, Donald Larrabee, was predicted to be the "Future Success," and was named "Class Gentleman," just a few points ahead of Chet Soule.

In the girls' poll, Esther Germain easily carried off the "Most Popular" title, and gained berths also as "The Cutest" and "Best Date." Joyce Trott tripled her nearest opponent's score to gain the "Best Athlete" by-name.

Pat Webster scored perhaps the most complete walkaway in the tabulations as she was named "Best Dressed." Myrtle Lucas was termed "Most Sophisticated" (The voting was noticeably slight on this one). Mary Knight will be remembered as the "Smoothest Talker" in the 1941 class as a result of the poll, while Margaret Patterson stands as the "Best Dancer."

Ann Sims is "Our Lady," and very definitely so. Jean OBrion is the logical choice as "Most Likely to Succeed." And the superlative poll, itself, has already been voted "Most Interesting Feature of the AMETHYST."

JUNIOR CLASS SUPERLATIVES

The juniors were decisive in their decisions and choices in the class popularity poll. This was the only class in which no one individual received more than one title in the boy's division.

Claire Ashton was named best dressed in the ladies' division. Jane Frisbee was chosen most sophisticated; Martha Stone, best date and cutest; Betty Walsh, most popular; Betty Boulos, Our Lady; Nina Ingargiola, best dancer; Ruby Sparkman, best athlete; Shirley Witham, future success; and Alberta Weed, smoothest talker.

Douglas Howard was named best looking boy; Richard Dwelley, biggest bluffer; Turner Jones, class gentleman; William Prouty, future success; Robert Speirs, best athlete; Norton Nevels, class politician; Jack Iott, best sport; Bruce Alden, class showoff; Thomas Pullen, best date; and David Andrew, best dancer.

SOPHOMORE SUPERLATIVES

When the Sophomore Superlatives were counted, Lenore Reuben had walked off with three titles, "The Best Dressed Girl", "The Most Sophisticated", "The Most Popular"; and Robert Mosley, two: "The Biggest Bluff" and "The Class Show Off"; Helen Stover was voted the "The Cutest Girl", while Hazel Whitney was "The Smoothest Talker"; with Virginia Grant "Our Lady"; Jean Harvey "The Best Dancer"; Florence Adair "The Best Date"; Wilma Cushman "Most Likely to Succeed"; and Beverly Beal "The Best Athlete."

"The Best Looking Boy" was Douglas Jackson; "The Class Gentleman" was captured by Richard Morrison; "The Future Success" William Hastings; "The Best Athlete" Merrill Winslow; "The Class Politician" Donald Payne; "The Best Sport" Robert Blake; "The Best Date" Norman O'Brion; "The Best Dancer" Lawrence Campbell.

It will be interesting to see what happens next year.

FRESHMAN SUPERLATIVES

Our yearlings were not neglected in the novel superlative polls. In fact, perhaps more interest in the contest was shown in the freshman class than in any of the others.

Marylan Corey copped two titles, those of best dressed and smoothest talker; Eula Patterson was named most sophisticated; Audrey Leavitt, cutest; Shirley Corthell, most popular; Carolyn Cushman, Our Lady; Carolyn Grey, best dancer; Barbara Perry; best date; Shirley Ross, future success; and Janette Andrew, best athlete.

In the male division, a certain Mr. Harold Burnham carried off three honors in being named best looking, class gentleman, and the future success. Walter Knight also was the recipient of three titles though they may or may not be considered as complimentary. Mr. Knight, the results show, is the biggest bluff, the best dancer, and the biggest showoff of the freshman class. Its best athlete, unanimously, is Keith Johnson. William Ladd was named class politician; Donald Morse, best sport; and Fred Foley, best date.

Editor's Note:—Underclassmen should watch these polls in succeeding years to see if titlists of the various classes retain their cognomens from year to year.

MYRTICE D. CHENEY

For many years Deering High School has had the distinction of having Myrtice Deering Cheney as head of the Mathematics department and the college advisor. Always in close touch with the trends in education, Miss Cheney has set high standards for our school which have in turn brought us many honors.

Colleagues and graduates concede unanimously that Miss Cheney in her efficiency, in her untiring devotion to the school and to youth, has made herself an outstanding teacher, greatly beloved and universally admired. In her resignation, Deering loses daily contact with a great personality, but Miss Cheney's influence can never be lost.

RALPH V. MORGRIDGE

A Memorial

If length of service be taken as a basis for the appreciation of a man's worth, then a reason may readily be shown why his associates feel keenly the loss of Ralph V. Morgridge, whose death occurred on January 27th of this year. For twenty-one years he faithfully served the City of Portland as physics teacher in Deering High School. The hundreds of boys and girls who came under his influence during those years are a tribute to his kindly, painstaking instruction. We, who knew him best, appreciated him most. He was ever true to his convictions, and neither curried favor from his superiors nor showed partiality to his students. He was kind and helpful to those in trouble, and endeared himself to his friends. His loss will remain as a daily burden for years to come.

HISTORY OF THE JUNIOR CLASS

In our freshman year the last Freshman Reception was given in our honor.

Our class felt a great loss, during the summer of our junior year by the sudden death of Merrill Bachelder.

The Junior Class has contributed a large number of stars in the athletic field, among them, Bob Speirs, Marty Lee, Jack Iott, Davy Andrew, Johnny Morton, Eddie Flaherty and Buddy Richardson.

The girls have also taken a part in popularity; namely, Martha Stone, who has more boy friends than she can remember; Betty Walsh, who has only been with us the last two years; Betty Anderson, sometimes known as "Icy"; Helena Shaw, who is always either laughing or frowning; and Constance Canning and Shirley Witham, who seem glued to that honor role. Girls who have taken an active part in sports are: Ruby Sparkman, Barbara Goldthwaite, Viola Everett and Viola Wilson.

OUR SOPHOMORE CLASS

We sophomores are especially proud of our athletes among whom are "Mare" Winslow, Doug Fyler, Jackie Feehan, Ed Flaherty, Bob Blake, and Dana Davis. You will recognize "Mare" Winslow, Doug Fyler, Ed Flaherty and Jackie Feehan from the varsity basketball games this year and the latter from baseball also. The following girls participated in hockey and basketball: Betty King, Arianna Whittemore, Ruth Thurlow, Mary McAfee, Beverly Beale, and Jean Harvey.

I think it should be mentioned that this class was the first to be deprived of a Freshman Reception upon entering Deering High School.

"Mare" Winslow, Donald Payne, Virginia Grant, and Doug Fyler, respectively, hold positions as class officers. Doug Jackson was president last year.

We are a musical class too, which is shown by the large number of Sophomores in the Band and Orchestra.

You and I both know that we have a fine prospective class and when we—well most of us—graduate in "43", there will be memories of "fine doings" in Deering High School and many, grand, "all-round good sports."

FRESHMAN CLASS HISTORY

The Freshman class has this year proved itself outstanding, both scholastically and athletically. Members of the class have joined many of Deering's clubs and organizations. The honor roll has been overcrowded with Freshmen who have received all E's. Athletically, the class has produced many future stars. In lightweight football, Keith Johnson, Donald Morse, and David Morton, made names for themselves. In basketball, Sumner Gorden, Keith Johnson, Kenneth Coolidge, and Walker Irving were prominent. Edward McDonald of the Freshman Class was Deering's best miler on the championship track team.

Freshman girls who proved outstanding in various fields were, Norma Sparkman, Jeanette Andrew, Nancy Fitzgerald, and Jean Miller. Freshman officers were, William Ladd, president; Nancy Fitzgerald, vice-president; Shirley Corthell, secretary; Katrina Kern, treasurer; and Joan Curran, Lee Johnson, and Robert Ripley, executive committee.

As a whole, the freshman class has taken an active part in all of Deering's activities, and many have forecast a bright future for 1941.

PRESIDENT'S MESSAGE

Five little words will henceforth mean a great deal to 260 of us. Those five—I attended Deering High School—should be the most cherished in our vocabularies. They represent four years when we met our first real problems, began to enjoy life in all its reality.

Just what do the five little words mean? For the applicant at a school of higher learning, they mean that he will be regarded as a representative of one of the finest secondary schools in America—he will be treated with respect, his progress, watched with interest. To the applicant for a working position, they mean that his high school record, diploma, his references are merely matters of form. Both the employer and registrar hear the words Deering High School—and on hearing them gain confidence in the fact that they are attaining the helpful presence and services of a young person who has graduated from a high school which, through a high scholastic and mental achievement standard, is placed well in front in the list of the better high schools in this country.

We can rest assured—as can our future associates—that this class of 1941, Deering High School, is better prepared to face the world of complexity today than any high school graduating class in this country.

NATIONAL HONOR SOCIETY

Twenty Seniors were named to the National Honor Society in April by a faculty committee representative of every branch of Deering school life. Of 83 students in the upper third of the graduating class, these were adjudged to have rendered the most service to the school, to have displayed the finest character, and to have shown outstanding leadership.

Deering has the distinction of being the number one chapter in a society which now has a membership of 2,500 schools the country over. One of six regional scholarships awarded last year in connection with the naming of society members in American high schools went to a Deering girl who is now enrolled at the University of Maine.

Chosen to the National Honor Society of the 1941 graduating class of Deering High School were:

Franklin Barton Allen
Lewis Harold Batty
Robert Paul Brackett
Ruth Barbara Carter
Paul Edward Chadbourne
Harry Barker Eddy
Clarence Leroy Foster, Jr.
Esther Germain
Lilly May Gould
Richard E. Jotberg
George Johnson Kern
Donald Richard Larrabee
Henry C. Larrabee, Jr.
Harriet Lothrop
Jean OBrion
Alan Lockwood Rhodes
Joseph Theodore M. Skehan
Albert H. Smaha
Madelyn Joyce Stover
Joyce Louise Trott

SENIOR CLASS PLAY

Thirteen Deering High School seniors sent an overflowing auditorium audience into "gale after gale" of laughter at their antics in the Class Play, "June Mad," given in March. In the cast were: Paul Chadbourne, Pat Patterson, Madelyn Stover, Harry Eddy, Leland McInnis, Luther Francis, Helena Duff, Russell Chadwick, Alice Shaw, William Day, Mary Knight, Betty Beaulieu, and Robert Marcous.

SENIOR CLASS HISTORY

In September, 1937, we entered Deering with same usual humorists, "Dapper" boys, and more brains than we should have had. We timidly watched the upperclassmen, but soon went into the regular routine of school life.

Our Freshman year was led by Donald Larrabee. Although our Freshman Reception was one of the last, we felt it the best of Deering's quarter-century history. Short essays were given by Mary Knight on the library; Mary Robinson on History; Robert Goldthwait on Sports; Albert Smaha on Latin; Ned Hanscomb, science. Cushing Strout showed skill and professional technique in his acts of magic. Grace Goodwin and Patsy Peables highlighted the program with musical specialties. Bill Orr carried the ball for us during our Sophomore Year. Here we stopped being hero-worshippers and began to formulate our own standards. Al Smaha, Moe Densmore, and Bill Orr began their athletic reign.

Our Junior year was ably piloted by Al Smaha. The Junior Prom, thanks to Esther Germain et al, was a "decorative" success, as well as financially to our credit. Bob Goldthwait proved himself a natural in the Dramatic Club Play, and we began to come into our own.

Donald Larrabee was again our captain this year. Al Smaha starred in three major sports. Muggsie McInnis proved a sensational actor in both Dramatic and Class Plays and our track team, strengthened in the senior division, captured the four-cornered meet. *Ram-Blings,* a bi-monthly school paper was born, and school spirit in Deering began to rise.

LAST WILL AND TESTAMENT

We, the Senior Class, having been pronounced sound and very nearly in our right minds by divers people who should be competent judges—having known us throughout our four years incumbency do hereby give, bequeath, and divide these, our worldly goods and chattels, among you of the class of 1942.

To wit:

Item: Joyce Trott leaves an empty void to Bob Goldthwait, and her athletic supremacy to his sister, Barbara.

Item: D. Elaine Corbin and Mildred Smith do jointly give and bequeath their crib notes to William Prouty.

Item: Robert Brackett wills his inordinate shyness of the fairer sex to Norton Nevels.

Item: Bill Melaugh bestows upon Dik Dwelley the shoes he has thus far so admirably filled as the "Biggest Bluff."

Item: Mary Knight leaves U. of M. House Parties—but not Lloyd Quint—to Helena Shaw.

Item: Madelyn Stover, Deering's "stage-wife," leaves this honourable position to be filled by serene Ann Kimball.

Item: The three Seniors who missed the bus from the Bates Exhibition do hereby give and bestow upon their fourth, Margery McCubrey, the hope that she can find someone else to miss busses with in '42.

Item: Patricia Webster leaves her taste in clothes to Claire Ashton.

Item: Bob Thomas bestows—with regrets—Claire Ashton upon Bruce Alden.

Item: Donald Larrabee and Jean OBrion do hereby bequeath the AMETHYST *and Rambling* to the ones who get there first.

Item: John Blanchard leaves the office bench to John Blanchard.

Item: Esther Germain leaves a string of broken hearts in trust for future reference.

Item: "Muggs" McInnis bequeaths that "Phil Harris" wave in his hair to anyone who can find the right address.

Item: Alvin Littlefield bestows any interest he may have had in Westbrook Junior on Edward Jordan.

Item: Ann Simms bequeaths to Nancy Schroeder her quiet charm and dignity.

Item: Albert Smaha leaves the D. H. S. Football team to Bill Orr.

Item: Barbara Robinson wills to Betty Walsh her curious habit of shrieking.

And finally we do bequeath unto you, O Class of 1942, the following rather moth-eaten collection of trivia.

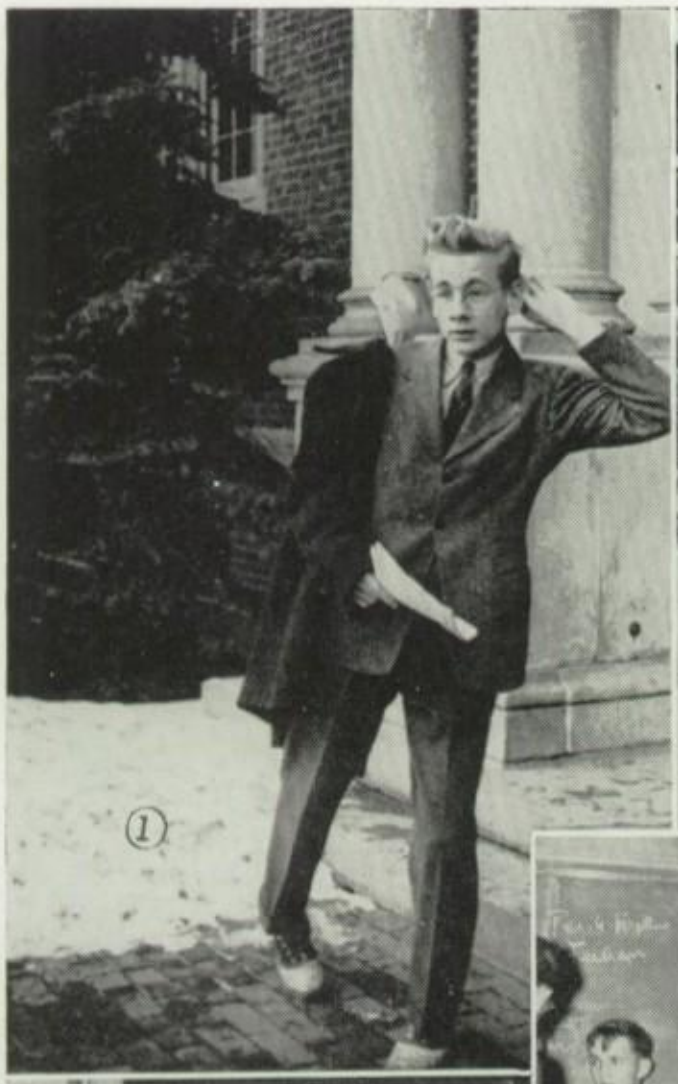
To wit:

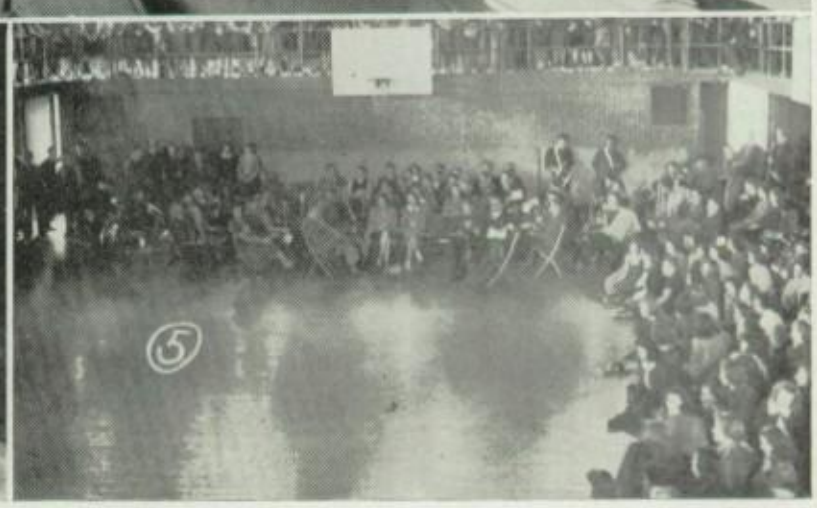
Item: An opus entitled "Blossom's in the Dust"—because of the number of times McInnis got mentioned in the dirt column.

Item: Something called "George Washington Slept Here"—to be left on the office bench because everybody else seems to have slept there anyway.

Item: A motion picture to be called "Dr. Kildare Comes to Deering"—because we think that school spirit needs not only a shot in the arm, but a grafting of monkey glands.

Item: The best seller "For Whom the Bell Tolls"—for all of you that have to make out tardy cards.





1. Don't leave Normie out in the Cole
2. Messrs. Bowles and Howarth, salute you
3. As I said before, X equals the unknown quantity.
4. Our three new door stops—back by Wood
5. Well, are you going to eat those words, or not?

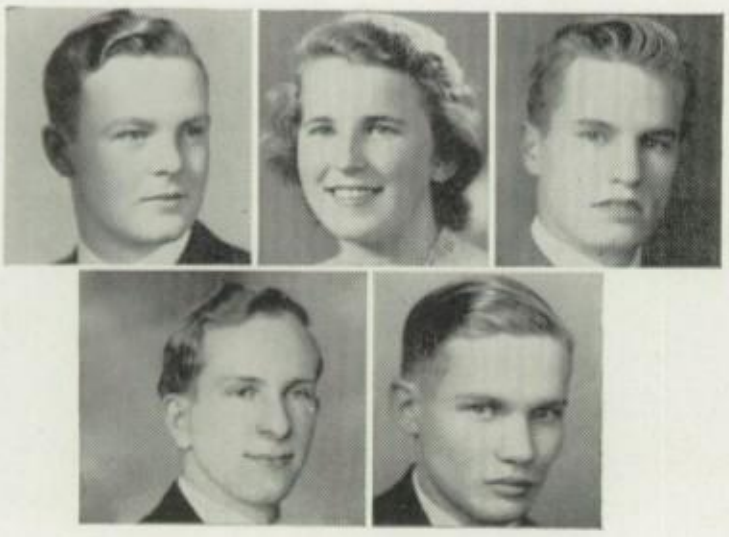
THE *AMETHYST* ROLL OF HONOR

Every group whether it be a school, an athletic team, an army, or merely a group of individuals has certain outstanding members. These members are the ones who shoulder the greatest responsibilities and carry the heavier burdens of a piece of work. The AMETHYST is a piece of work. It involves a year of labor; creative labor which necessitates large scale future planning and the will and stamina for carrying that plan to completion. The AMETHYST staff this year had its own inner group which carried most of the



work, and although the entire staff deserves credit, there are a few who deserve special consideration. These are named on this page with an explanation for their choice:

DONALD LARRABEE, JEAN OBRION for an executive sense and hearty cooperation on any piece of AMETHYST work which was assigned to them.

HELENA DUFF, ANGELA PROFENNO, MAY JANE WALCH, MARGERY WOODAMAN, for selling more AMETHYSTS than anyone else.

ALICE WILLIAMS, JOSEPH SKEHAN,

HARRY CAMPBELL, AND FRED PATTERSON for their ability in snaring over $275 in advertising money. This paid for the cover of this book.

CHARLES BARNES, a Junior, for contributing valuable service.

JANE MARSHALL, for the difficult job of collecting AMETHYST pictures.

ESTHER GERMAIN, for compilation of Senior Section.

DONALD LITTLE, LEWIS BATTY, for typing most of AMETHYST work.

WILLIAM EVERSON, for cartoons, and drawing of table of contents.

CLIFFORD ROLLINS, for cover designs of this and last year's AMETHYSTS.

APPRECIATIONS

The editors of the 1941 AMETHYST wish to express their appreciation to those of the faculty who have guided the destiny of this book; first, to Linwood Elliott, the spur, the encouragement, the brains behind the 1941 book, the man who was determined to see that the AMETHYST regained its former footing, whose capacities for the unique, the original were boundless, and who spared no mental expense to make the yearbook what it is; to Mr. Stack in the photographic department; to Miss Bradbury and Miss Tyler for their aid in compiling the clubs and activity sections; to Mr. Young for his assistance in financial matters; to Miss Dearborn whose typists were ever ready to do AMETHYST work; and Miss Seabury whose Art students contributed to every section of the book.

We also are indebted to our advertisers who made possible the cover of the 1941 AMETHYST, to Gardner Roberts, who photographed the majority of the clubs, activities, and sports groups; to the Portland Engraving Company and its John Marshall for close and speedy cooperation; to the Gannett Publishing Company for a host of school photographs which appeared in the local papers during the year; and lastly to our printers, Forest City Printing Company, headed by Walter Harmon and Earl Etter, who were consistent with constructive criticism toward a better yearbook.

DEPARTED CLASSMATES

Deering's class of 1941 will graduate without the presence of two of its most popular classmates who entered in 1937. They are Ida Panetti, the daughter of Mr. and Mrs. Nunzi Panetti of Woodford Street and Vincent Shevlin, son of Mrs. Bernice W. Shevlin of Kenwood Street.

Miss Panetti's friendly attitude toward classmates and associates, her ever-present smile, and desire to help others, made her popular with everyone. She passed away in her freshman year.

Mr. Shevlin was keenly interested in athletics, supported school events, and won a host of friends from the four classes with his broad grin, and geniality. He died in his sophomore year.

O, though oft depressed and lonely,
All my fears are laid aside,
If I but remember only
Such as these have lived and died!

NORTHEASTERN UNIVERSITY

College of Liberal Arts

Offers young men a broad program of college subjects serving as a foundation for the understanding of modern culture, social relations, and technical achievement. The purpose of this program is to give the student a liberal and cultural education and a vocational competence which fits him to enter some specific type of useful employment.

College of Business Administration

Offers young men a college program with broad and thorough training in the principles of business with specialization in Accounting, Journalism, Banking and Finance, Public Administration, Industrial Administration or Marketing and Advertising. Instruction is through lectures, solution of business problems, class discussions, motion pictures and talks by business men.

College of Engineering

Provides for young men complete college programs in Engineering with professional courses in the fields of Civil, Mechanical (with Diesel, Aeronautical, and Air Conditioning options), Electrical, Chemical, Industrial Engineering, and Engineering Administration. General engineering courses are pursued during the freshman year; thus the student need not make a final decision as to the branch of engineering in which he wishes to specialize until the beginning of the sophomore year.

Co-operative Plan

The Co-operative Plan, which is available to upperclassmen in all courses, provides for a combination of practical industrial experience with classroom instruction. Under this plan the student is able to earn a portion of his school expenses as well as to make business contacts which prove valuable in later years.
